DAY 2 | SIEM REAP – ANGKOR ARCHAEOLOGICAL PARK [B / L / D]

Get ready for a day of discovering magnificent temples! Depart at 8:00 am at the temples of Angkor. The Angkor Archaeological Park is visually, architecturally and artistically breathtaking and one of the most important archaeological sites in South-East Asia if not the world. Stretching over some 400 km², including forested area, the park contains the magnificent remains of the different capitals of the Khmer Empire, from the 9th to the 15th century. You could spend weeks exploring the ruins, but on this day tour, you will have a chance to see all the highlights.

Angkor Wat is one of mankind's greatest achievements, and the intricate carvings at the temple of Angkor Wat demonstrate the skill of the Khmer builders. It was constructed in the jungle in the early 12th century, then - two centuries later - was mysteriously abandoned by the Khmer civilization. Now Angkor Wat is the main reason tourists come to visit Cambodia.

Then we'll head to the fabulous jungle temple of Ta Prohm. Ta Prohm is particularly amazing in the early morning when all you can hear are the sounds of the jungle, before the crowds arrive. After Ta Prohm, you will visit the South Gate of Angkor Thom where you can take a quiet optional 1km walk along the wall and through the jungle to a hidden temple.

Lunch at a Local restaurant (included), after lunch then visit the temples of Bayon, Baphuon and Terrace of Elephants and Leper King. Tonight, enjoy dinner at local restaurant.

Overnight at Sofitel Angkor Phokeethra Golf & Spa Resort

DAY 3 | SIEM REAP – OPTIONAL ACTIVITIES [B / - / D]

Today is your choice based on these optional programs below:

Program 1: Quad Bike

Learn how to drive the quad bike and experience the road less traveled, riding through rural villages and communities. Highlights include visiting rice paddy fields, seeing Water Buffalos, exploring a Cambodian Buddhist Monastery, and discovering a non-touristic temple built in the 9th century, predating Angkor Wat. We'll take a break to enjoy fresh local coconut or a cool drink along the way. After this memorable pause, we will head back to town via a different route.

(continue in next page)

Program 2: Jeep Adventure to Banteay Srei & Beng Mealea

Explore Beng Mealea, the temple known as the "jungle temple", offering an adventurous experience with its partially collapsed structures overgrown by vegetation. Continue your journey to Banteay Srei, often referred to as the "Citadel of Women". Along the way, enjoy lunch at a local restaurant near Banteay Srei. After lunch, explore the temple, famous for its intricate carvings in pink sandstone. Banteay Srei is considered one of the jewels of Khmer art.

Program 3: Village cooking class & Monk Chanting

Bike through the surrounding countryside and prepare a local Khmer meal to offer to the monks. Buddhist monks live away from their families and are not allowed to have normal jobs. They depend on the faith and charity of the local people. After a bike ride just outside of Siem Reap, we will meet our village chef, who will take us grocery shopping at a local food market. You might learn to cook the popular dish Amok, a fish soup, or Samlor Korke, depending on the chef's recommendation. Once your Khmer meal is prepared, the chef and his wife will show you how to pack the food and some rice into a banana leaf. A short walk will take us to the pagoda where the monks live, allowing you to present the alms.
